

# BURIED TREASURE ISLAND AUDIO TOUR

**BARGE : the Bay Area Research Group in Enviro-aesthetics : 2008**

You can only get to the island by car or bus (MUNI line 108). You can download the audio podcast from the Ground Scores site, via [www.BAN5.org](http://www.BAN5.org), or by phoning 415-294-3627 and keying in the corresponding codes (ex: 476#) listed on the other side of this map. Cell phone service on the island can be spotty, so it might be useful to download the audio in advance. Visitors should know that there are few public toilets on the island, limited food options, and no gas stations. It can be quite windy & foggy at times, so plan accordingly.
